*Lord, Jesus Christ, You Who travelled throughout Galilee healing the sick, enabling the blind to see and the lame to walk, bring healing to Your people who need it this day. Grant relief to the ones who suffer pain and physical torment. Give peace to those whose minds are tortured by mental illness and anxiety. Comfort those who are alone in their suffering; may Your people reach out to them and to all the needy this day. Send Your grace to the caregivers that they may be gentle and effective agents of Your loving mercy. May our sufferings be joined with Yours to bring healing throughout the world. Amen.*

**Saint Frances Xavier Cabrini Saint of the Day for November 13  
(July 15, 1850 – December 22, 1917)**

**Frances Xavier Cabrini was the first United States citizen to be canonized. Her deep trust in the loving care of her God gave her the strength to be a valiant woman doing the work of Christ.**

**Refused admission to the religious order which had educated her to be a teacher, she began charitable work at the House of Providence Orphanage in Cadogno, Italy. In September 1877, she made her vows there and took the religious habit. When the bishop closed the orphanage in 1880, he named Frances prioress of the Missionary Sisters of the Sacred Heart. Seven young women from the orphanage joined her.**

**Since her early childhood in Italy, Frances had wanted to be a missionary in China but, at the urging of Pope Leo XIII, Frances went west instead of east. She traveled with six sisters to New York City to work with the thousands of Italian immigrants living there.**

**She found disappointment and difficulties with every step. When she arrived in New York, the house intended to be her first orphanage in the United States was not available. The archbishop advised her to return to Italy. But Frances, truly a valiant woman, departed from the archbishop's residence all the more determined to establish that orphanage. And she did.**

**In 35 years, Frances Xavier Cabrini founded 67 institutions dedicated to caring for the poor, the abandoned, the uneducated and the sick. Seeing great need among Italian immigrants who were losing their faith, she organized schools and adult education classes.**

**As a child, she was always frightened of water, unable to overcome her fear of drowning. Yet, despite this fear, she traveled across the Atlantic Ocean more than 30 times. She died of malaria in her own Columbus Hospital in Chicago.**

**Reflection**

**The compassion and dedication of Mother Cabrini is still seen in hundreds of thousands of her fellow citizens who care for the sick in hospitals, nursing homes, and state institutions. We complain of increased medical costs in an affluent society, but the daily news shows us millions who have little or no medical care, and who are calling for new Mother Cabrinis to become citizen-servants of their land.**

**Saint Frances Xavier Cabrini is the Patron Saint of:  
Hospital Administrators, Immigrants, Impossible Causes, India**
