Lord, Jesus Christ, You Who travelled throughout Galilee healing the sick, enabling the blind to see and the lame to walk, bring healing to Your people who need it this day. Grant relief to the ones who suffer pain and physical torment. Give peace to those whose minds are tortured by mental illness and anxiety. Comfort those who are alone in their suffering; may Your people reach out to them and to all the needy this day. Send Your grace to the caregivers that they may be gentle and effective agents of Your loving mercy. May our sufferings be joined with Yours to bring healing throughout the world. Amen.

SUNDAY SMILE:

A taxi passenger tapped the driver on the shoulder to ask him a question. The driver shouts aloud, Car gets out of control and nearly hit a bus, went up on the footpath, and stopped inches away from a shop window.

For a second there was complete silence in the cab, then the driver said, "Sir, don't you ever do that again. You nearly killed me!"

The passenger apologized for his tap and said, "Sorry, I didn't know that a little tap would scare you so much. " The cab driver replied, "No Sir, It's not you. Actually, Today is my first day as a cab driver – I used to drive a funeral van for the last 25 years and no one tapped."
