No one is going to stand up at your funeral and say, "She had a really expensive couch and great shoes." **DON'T MAKE LIFE ABOUT STUFF.**

Wife texts husband on a cold winter morning: "Windows frozen, won't open." Husband texts back: "Gently pour some lukewarm water over it and gently tap the edges with a hammer." Wife texts back 10 minutes later: "Computer really messed up now."

Be **someone** who makes everyone feel like a **somebody**.

After my funeral, I want one of my friends to take my phone and text everyone, "Thank you for coming."

People were created to be loved. Things were created to be used. The reason the world is in chaos, is because things are being loved and people are being used.

A woman came home, screeching her car into the drive way, and ran into the house. She slammed the door and shouted excitedly, "Honey, pack your bags, I won the lottery. The husband said, "Oh my goodness! What should I pack, beach stuff or mountain stuff?" "Doesn't matter," she said, "Just get the heck out."
