Now and for ever and ever. Amen.

*Theotokion, Tone 2:* The tomb and death could not hold the Mother of God,\* unceasing in her intercession and an un failing hope of patronage,\* for as the Mother of Life she was transferred to life\* by Him Who had dwelt in her ever-virgin womb.

### **I LOVE THIS ANALOGY**

When **GOD** wanted to create fish, **HE** spoke to the sea. When **GOD** wanted to create trees, **HE** spoke to the earth. But when **GOD** wanted to create man, **HE** turned to himself. Then **GOD** said: "Let us make man in our image and our likeness."

If you take a **fish** out of the **water**, it will die; and when you remove a **tree** from **soil**, it will also die. Likewise, when **man** is disconnected from **GOD**, he dies.

**GOD** is our natural environment. We were created to live in **His** presence. We have connected to **Him** because it is only in **Him** that life exists.

Let's stay connected to **GOD**. We recall that **water** without **fish** is still water, but **fish** without **water** is nothing. The soil without **trees** is still soil, but the **tree** without **soil** is nothing...**GOD** without man is still **GOD**, but man without **GOD** is nothing.
