Troparia and Kontakia

Troparion, Tone 6: Angelic powers were upon Your tomb* and the guards became like dead men;* Mary stood before Your tomb* seeking Your most pure body.* You captured Hades without being overcome by it.* You met the Virgin and granted life.* O Lord, risen from the dead,* glory be to You!

Glory be to the Father and to the Son and to the Holy Spirit.

Kontakion, Tone 6: With His life-giving hand* Christ our God, the Giver of life,* raised all the dead from the murky abyss* and bestowed resurrection upon humanity.* He is for all the Saviour,* the resurrection and the life, and the God of all.

Now and for ever and ever. Amen.

Theotokion, Tone 6: Undaunted patroness of Christians,* O steadfast intermediary with the Creator,* turn not away from the suppliant voices of sinners,* but in your kindness come to help us who cry out to you in faith.* Be quick to intercede, make haste to plead,* for you are ever the patroness of those who honour you, O Mother of God.

A wonderful message to remember.....

Barely the day started and... it's already six in the evening. Barely arrived on Monday and it's already Fridayand the month is over already. ...and then the year is almost over. ...and already 40, 50 or 60 years of our lives have passed. ... and we realize that we lost our parents, friends...and we realize that it's too late to go back...

So... Let's try, despite everything, to enjoy the remaining time... Let's keep looking for activities that we like... Let's put some colour in our grey... Let's smile at the little things in life that put balm in our hearts. And despite everything, we must continue to enjoy with serenity this time we have left.

Let's try to eliminate the later... I'm doing it later... I'll say it later... I'll think about it later... We leave everything for later like 'later' is ours. Because what we don't understand is that: Later, the coffee gets cold... Later, priorities change... Later, the charm is broken... Later, health passes... Later, the kids grow up... Later, parents get old... Later, promises are forgotten... Later, the day becomes the night... Later, life ends... And then it's often too late...

So... Let's leave nothing for later... Because while waiting for later, we can lose the best moments, the best experiences, best friends, the best family... The day is today... The moment is now... We are no longer at the age where we can afford to postpone what needs to be done right away. So let's see if you have time to read this message and share it .

Or, maybe you'll leave it for 'later'...
